

Note: This is just a sample. Different courts have different warrants.

## Arrest warrant

A valid search warrant:

- Must be signed by a judge, justice of the peace or magistrate.
- Must state the name of the person to be arrested.
- Must describe the person to be arrested.
- Look for other information that might make the warrant invalid, such as being out of date.
- If the officer does not have a valid warrant, you can say, "This is not a valid warrant. You may not enter. Please leave."
- If the officer has a valid arrest warrant and the person named in the warrant is there, that person should go outside to meet the officer. Close the door behind them. If the person named in the warrant is not there, tell the officer that the person is not there, and do not open the door.
