

# HARRIS COUNTY EVICTION LEGAL AID

SATURDAY, FEB. 27TH  
10AM - 4PM

Join us for this free drive-through event to **find out if you qualify for protection** under a CDC order that can prevent or delay an eviction action against you until at least March 31, 2021. If you qualify, you will get help completing and signing the required declaration form.

Be sure to apply for **both** of these new rental assistance programs as soon as possible, even if you have previously applied for or received other rental assistance. If you can't do it on your own, help will be available at the event!

## Texas Rent Relief Program

now accepting applications
